Subject: Compliance with the World Anti-Doping Code

Dear Prof. Hovhannisyan,

Thank you very much for submitting on 25 September 2020 the English translation of the revised draft rules of the Anti-Doping Agency of Armenia and giving us the opportunity to provide you with our comments.

We confirm that the Anti-Doping Agency of Armenia has successfully incorporated all mandatory articles of the 2021 World Anti-Doping Code into its draft rules. This correspondence therefore constitutes your assurance that the draft rules of the Anti-Doping Agency of Armenia are in line with the 2021 World Anti-Doping Code.

It is now fundamental that such rules are formally adopted and published.

While monitoring the enforcement of the 2021 rules of the Anti-Doping Agency of Armenia, WADA might recommend amendments based on the practical application of these rules in the future if necessary.

We thank you for your commitment to clean sport and remain available should you have any questions or concerns.

Yours Sincerely,

Emiliano Simonelli
